In the event the Master Association, the Executive Board, or its designated committee, fails to approve or disapprove such design, within thirty (30) days after said plans and specifications have been submitted to them, approval will not be required and this Section shall be deemed to have been fully complied with, subject to the requirement set forth in subsection (c) below.

(b) Neither Declarant, nor its successors or assigns, the Master Association, the Executive Board nor the Architectural Control Committee, if so appointed, shall be liable in damages to anyone submitting plans to them for approval, or to any Owner affected by this Declaration, or any third party, by reason of mistaken approval, judgment, negligence or non-feasance arising out of or in connection with the approval or disapproval or failure to approve any such plans and specifications. Every person who submits plans for approval, by submission of said plans and specifications, and every Owner of a Unit, by acquiring title thereto or an interest therein, agrees that no action, suit or claim will be brought against Declarant, its successors or assigns, the Executive Board or the Architectural Control Committee to recover any damages, and any right to bring any such action, claim or suit by an Owner is hereby waived.

(c) Notwithstanding anything to the contrary as set forth above, any such improvements or alterations constructed within the Properties shall comply with the requirements which may be imposed from time to time by the City of Boulder, State of Colorado, regardless of whether the Master Association, the Executive Board of the Association or the Architectural Control Committee has approved such plan.

ARTICLE 7. COVENANT FOR COMMON EXPENSE ASSESSMENTS AND TOWNHOUSE EXPENSE ASSESSMENTS

Section 7.1. Creation of Association Lien and Personal Obligation to Pay Common Expense Assessments.

(a) Declarant, for each Unit, shall be deemed to covenant and agree, and each Owner, by acceptance of a deed therefor, whether or not it shall be so expressed in any such deed or other conveyance, shall be deemed to covenant and agree to pay to the Association the annual Common Expense Assessments, which assessments, including fees, charges, late charges, attorney's fees, fines and interest charged by the Association shall be the personal obligation of the Owner at the time when the assessment or other charges became or fell due. The personal obligation to pay any past due sums due to the Association shall not pass to a successor in title unless expressly assumed by them.

(b) Declarant, for each Townhouse, shall be deemed to covenant and agree, and each Owner of a Townhouse, by acceptance of a deed therefor, whether or not it shall be so expressed in any such deed or other conveyance, shall be deemed to covenant and agree to pay to the Association the annual Townhouse Expense Assessments, which assessments, including fees, charges, late charges, attorney's fees, fines and interest charged by the Association shall be the personal obligation of the Owner of a Townhouse at the time when the assessment or other charges became or fell due. The personal obligation to pay any past due sums due to the Association shall not pass to a successor in title unless expressly assumed by them.

(c) The Common Expense Assessment and the Townhouse Expense Assessment of the Association shall be a continuing lien upon the Unit against which each such assessment is made. A lien under this Section is prior to all other liens and encumbrances on a Unit except:

- (1) liens and encumbrances recorded before the recordation of the Declaration;
- (2) a first lien Security Interest on the Unit recorded before the date on which the Common Expense Assessment sought to be enforced became delinquent, (notwithstanding

the foregoing, the lien for assessments is also prior to a first lien Security Interest to the extent of an amount equal to the Common Expense Assessment based on an annual budget adopted by the Association pursuant to Section 7.4 hereof which would have become due, in the absence of any acceleration, during the six months immediately preceding institution of an action to enforce the lien); and

(3) liens for real estate taxes and other governmental assessments or charges against the Unit. This Section does not prohibit an action to recover sums for which this Section creates a lien or prohibit the Association from taking a deed in lieu of foreclosure. Sale or transfer of any Unit shall not affect the Association's lien except that a sale or transfer of any Unit pursuant to foreclosure of any first lien Security Interest, or any proceeding in lieu thereof, including deed in lieu of foreclosure, or cancellation or forfeiture shall only extinguish the Association's lien as provided in the Act. No such sale, transfer, foreclosure, or any proceeding in lieu thereof, including deed in lieu of foreclosure, nor cancellation or forfeiture shall relieve any Unit from continuing liability for any Common Expense Assessments thereafter becoming due, nor from the lien thereof.

Section 7.2. Apportionment of Common Expenses.

(a) Common Expenses shall be assessed against all Units in accordance with their ownership interest in the Common Elements shown on Exhibit B of this Declaration.

(b) Townhouse Expenses shall be equally assessed against all Townhouses.

Section 7.3. Purpose of Assessments.

Section 7.4. Annual Assessment/Commencement of Common Expense Assessments and Townhouse Expense Assessments.

(a) The Common Expense Assessment shall be made on an annual basis against all Units and shall be based upon the charges imposed on all Units within the Properties by the Master Association, together with the Association's advance budget of the cost requirements needed by it to provide for the administration and performance of its duties during such assessment year. Common Expense Assessments may be collected in the manner as determined by the Executive Board. Common Expense Assessments shall begin on the first day of the month in which the conveyance of the first Unit to a Unit Owner other than Declarant occurs.

(b) Within ninety (90) days after adoption of any advance budget or proposed budget, the Executive Board shall mail, by ordinary first class mail, or otherwise deliver a summary of the budget to all Owners and shall set a date for a meeting of Owners to consider ratification of the budget within a reasonable time after mailing or other delivery of the summary. Unless at that meeting sixty-seven percent (67%) of the votes entitled to be cast by Owners of Units are cast to reject the budget, the budget shall be ratified, whether or not a quorum is present. In the event the proposed budget is rejected, the periodic budget last ratified by the Owners must be continued until such time as the Owners ratify a subsequent budget proposed by the Executive Board.

(c) Townhouse Expenses shall be assessed to each Townhouse as part of each Townhouse Expense Assessment. The Townhouse Expense Assessment shall be made on an annual basis against all Townhouses and shall be based upon the charges imposed on all Townhouses within the Properties by the Association's advance budget of the cost requirements needed by it to provide for the administration and performance of its duties to only the Townhouses during such assessment year. Townhouse Expense Assessments may be collected in the manner as determined by the Executive Board. Upon request, a first mortgagee of any Unit shall also be given such written notice. Such assessments shall be due and payable in equal monthly installments, due and payable by the first day of each month. Failure of the Association to give timely notice of any assessment as provided herein shall not affect the liability of the Owner of any Unit for such assessment, but the date when payment shall become due in such a case shall be deferred to a date thirty (30) days after such notice shall have been given. The monthly installment shall be deemed to be in default if payment is not received by the Association by the tenth (10th) day of the month in which the installment became due. The unpaid installment shall bear interest at such rate as may be determined by the Executive Board, however, in no event shall interest exceed eighteen percent (18%) per annum from the first day of the month in which it became due until paid in

full. Any default upon an installment obligation may, at the election of the Association, be deemed to be a default on the entire remaining balance of the annual assessment of the respective Unit, and in such case, the Association may declare the remaining balance immediately due and payable and obtain satisfaction therefore as hereinafter provided or by any other legal means. Such assessment shall first commence on the date that the first Owner received the deed for the Owner's Unit. Such assessment shall be based on an annual budget prepared for the Declarant prior to such first closing. Such budget shall be submitted by Declarant to any mortgagee, insurer or guarantor requesting such budget prior to the first annual assessment. Such budget shall remain in effect until the first annual assessment shall be made by the Association. Both annual and special assessments shall be allocated to each Unit as set forth in Article 8 hereof.

Section 7.6. Increases To Assessments.

Except for any assessment imposed by the Master Association, the Common Expense Assessment and the Townhouse Expense Assessment in any one year imposed by the Association may not be increased by more than fifteen percent (15%) of the previous year's assessment without the approval of sixty-seven percent (67%) of the votes entitled to be cast by Owners of Units at a regular or special meeting of the Association. Within fifteen (15) days after making its determination, the Association shall give written notice to each Owner of the amount of the annual assessment for each Unit. Only Owners of Townhouses shall be entitled to vote on the Townhouse Expense Assessment.

Section 7.7. Special Assessments for Capital Improvements or other purposes.

(a) In addition to the annual assessments authorized by this Article, the Association, upon approval of sixty-seven percent (67%) of the votes entitled to be cast by Owners of Units at a regular or special meeting of the Association, may levy in any assessment year a special assessment, payable over such a period as the Association may determine, for the purpose of defraying, in whole or in part, the cost of any construction, repair or replacement of the Common Elements or any part thereof, or for any other expenses incurred or to be incurred as provided in this Declaration. Any amounts assessed pursuant hereto shall be allocated to Unit Owners. Notice in writing of the amount of such special assessments and the time for payment thereof shall be given promptly to the Owners, and no payment shall be due less than thirty (30) days after such notice shall have been given.

Townhouse Owners called in the same manner as a meeting of the Association, may levy in any assessment year a special assessment, payable over such a period as the Owners of the affected Townhouses may determine, for the purpose of defraying, in whole or in part, the cost of any construction, repair or replacement of the any portion of the Townhouses relating solely to said Townhouses or any part thereof, or for any other expenses incurred or to be incurred as determined by said Owners and as otherwise permitted in this Declaration. This Section shall be construed as an independent source of authority for the Townhouse Owners to incur expenses, and shall be construed to prescribe the manner of assessing for expenses authorized by this Section upon only the Townhouses affected. Any amounts assessed pursuant hereto shall be allocated solely to the Townhouse Owners affected thereby. Notice in writing of the amount of such special assessments and the time for payment thereof shall be given promptly to the affected Townhouse Owners, and no payment shall be due less than thirty (30) days after such notice shall have been given.

Section 7.8. Individual Assessments/Fines.

Section 12.4. Special Agency Provisions.

If required by the Federal Home Loan Mortgage Corporation, Federal Housing Authority, the Veterans Administration, or similar agency the following requirements apply. Unless sixty-seven percent (67%) of the First Mortgagees (based upon one vote for each first mortgage owned) or Owners (other than the Declarant) give their prior written approval, the Association shall not be entitled to:

- 12.4.1. Seek (by act or omission) to abandon, partition, subdivide, encumber, sell, or transfer property owned directly or indirectly by the Association, except as specifically allowed in this Declaration;

12.4.2. Fail to maintain hazard and extended coverage insurance on Common Areas owned by the Association on a current replacement cost basis in an amount not less than one hundred percent (100%) of the insurable value;

12.4.3. Use hazard insurance proceeds received for losses to any part of the insured areas and improvements thereon for other than repair, replacement, or reconstruction of such property;

12.4.4. Change the method of determining the assessments which may be levied against an Owner; or

12.4.5. Change, waive, or abandon (by act or omission) any scheme of regulation or the enforcement thereof, pertaining to the architectural design or exterior appearance of the dwelling units or the maintenance of the Common Elements.

ARTICLE 13. GENERAL PROVISIONS

Section 13.1. Enforcement.

The covenants, conditions, restrictions herein contained and amendments made hereunder shall run with the land and be binding upon and inure to the benefit of the Association, the Declarant, and property Owners and may be enforced as provided hereinafter. Violation of these protective covenants shall give the Association, the Declarant, the Owners, or any of them, the right to bring proceedings in law or equity against the party or parties violating or attempting to violate any terms of this Declaration, the Articles of Incorporation, or Bylaws of the Association; to enjoin them from so doing; to cause any such violation to cease; or to recover damages resulting from such violation. In any legal or equitable proceedings to enforce the provisions hereof or to enjoin any violation, the party or parties against whom judgment is entered shall pay the attorneys' fees of the party or parties for whom judgment is entered. Such remedies shall be cumulative and not exclusive.

Notwithstanding the foregoing, except as specifically modified by the Colorado Common Interest Ownership Act, it is understood that the breach of any of this Declaration shall not defeat or render invalid the lien of any mortgage made in good faith and for value, provided, however, the covenants, conditions, and restrictions shall at all times remain in full force and effect against said premises or any part thereof notwithstanding any foreclosure of any mortgage. No assent, expressed or implied, to any breach of any one or more of the covenants, conditions, and restrictions shall be deemed to be a waiver of any succeeding or other breach.

Section 13.2. Damages.

An Owner shall be liable and responsible for payment of any loss or damage to any person or property caused by the act or negligence of the Owner or such Owner's guests which occurs within the Properties or any Common Element. Any such loss or damages together with reasonable attorneys' fees and costs of collection may be recovered from the Owner by means of an Individual Assessment or by any other legal means.

Section 13.3. Duration.

The covenants, restrictions, and reservations set forth in this Declaration, unless properly amended shall run with and bind the entire described Properties, for a term of twenty (20) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of ten (10) years. In the event any of these covenants, restrictions, and reservations would be held to be void because they are in violation of the Rule Against Perpetuities or similar rule of law, these covenants shall then continue to be in effect for a period of twenty-one (21) years after the death of the last surviving descendant of Terrence Britton.

Section 13.4. Amendments.

This Declaration may be amended by execution of a written document by the Owners of not less than sixty-seven percent (67%) of the Units actually in existence at the time of such amendment. In the event prior approval of an amendment is required by the Federal Housing Authority, the Veterans Administration, or similar agency, said approval shall also be required.

Section 13.5. Scope of This Declaration.

The undersigned Declarant, as Owner of fee simple title to the Properties, expressly intends to subject the Properties to the provisions of this Declaration upon recording of this document. The ownership of each Lot shall be subject to the provisions of this Declaration. Any instrument recorded subsequent to this Declaration purporting to affect an interest in the Properties shall be subject to the terms of this Declaration despite failure to make reference thereto.

Section 13.6. No Representation.

Except as expressly set forth herein, Declarant makes no representations regarding use of any Unit. Declarant makes no representations as to the existence, preservation, or permanence of any view from any Unit.

Section 13.7. Successors and Assigns.

This Declaration shall be binding upon and shall inure to the benefit of the Declarant and each Owner and to the heirs, representatives, Personal Representatives, successors, and assigns of each of them.

Section 13.8. Severability.

If any portion of this Declaration becomes invalidated in any manner whatsoever, it shall not affect in any manner the validity, enforceability, or effect of the remainder of this Declaration and in such event, all other provisions of this Declaration shall continue in full force and effect.

Section 13.9. Numbers and Genders.

Whenever used herein, unless the context provides otherwise, the singular number shall include the plural, the plural shall include the singular and the use of any gender shall include both genders.
